

**RESOLUTION # 16- 2015**

**WHEREAS**, the West Chester Borough Council recognizes that development is inevitable but also that growth and progress do not need to result in the destruction of the natural and built assets that shape Pennsylvania, and;

**WHEREAS**, the West Chester Borough Council recognizes that preservation planning is one of the responsibilities required of the Commonwealth's State Historic Preservation Office and each municipality within the Commonwealth, and;

**WHEREAS**, the West Chester Borough Council understands that the Commonwealth's overall goal of its Statewide Preservation plan is to build stronger communities by using cultural and historic resources in ways that add value to citizens' lives today and in the future.

**NOW, THEREFORE BE IT RESOLVED** that the West Chester Borough Council supports the Pennsylvania's Statewide Preservation Plan 2012-2017 entitled "Building Better Communities: The Preservation of Place in Pennsylvania" this 19<sup>th</sup> day of August 2015.
