Statewide Historic Preservation Plan Fast Facts

- The PA SHPO issues a **new statewide historic preservation plan** every 5 years.
- The plan addresses the **wide range of historic and cultural resources** that represent PA's communities.
- **Public input**, like taking our survey, helps identify issues and **create a vision for the future of older and historic places** in our communities.
- The statewide plan process is **collaborative**, with many diverse partners and voices.
- PA's statewide plan will serve as a general **guide for decision-making** and a resource for communities.
- Adopting and implementing the plan's goals **can help solve preservation challenges** in our communities.

Pennsylvania's Statewide Historic Preservation Plan:

- Encourages broad public participation from communities of all types and sizes throughout the state
- Collaborates with local, regional, state, and federal partners
- Analyzes trends that affect historic resources
- Seeks information from other local, state, and federal planning efforts
- Identifies and addresses challenges unique to PA
- Influences preservation policy in local and state governments
- Empowers local communities, organizations, and individuals to action
